I am a spiritual being.....

After the body is dead my spirit will be with Our Father....

Ecclesiastes 12:6 Or ever the silver cord be loosed, or the golden bowl be broken, or the pitcher be broken at the fountain, or the wheel broken at the cistern.

Ecclesiastes 12:7 Then shall the dust return to the earth as it was: and the spirit shall return unto God who gave it.

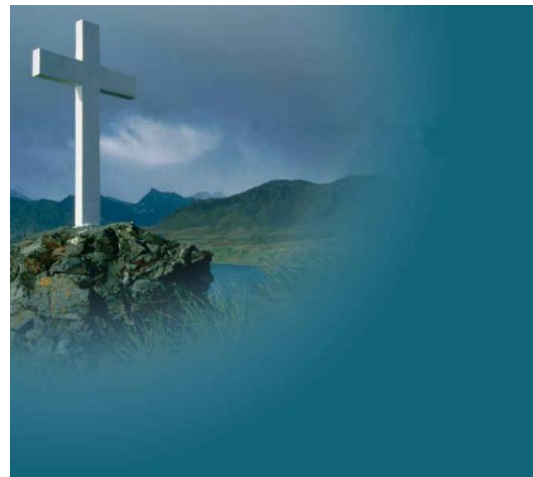

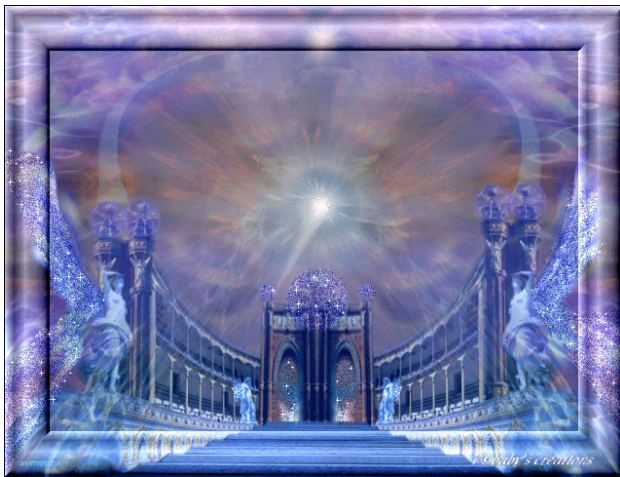

I Corinthians 10:13

There hath no temptation taken you but such as is common to man: but God [is] faithful, who will not suffer you to be tempted above that ye are able; but will with the temptation also make a way to escape, that ye may be able to bear [it].

The image features a textured, olive-green background with two roses. One rose is smaller and positioned higher and to the left, while the other is larger and more open, positioned lower and to the right. The word "Gallery" is written in a white, elegant cursive font, centered between the two roses.

Eagle

December 8, 1939 - June 17, 2007

This is posted in the memory of the best friend I ever had.. She passed away at 10:15 PM June 17, 2007..

Marilyn had been a bible student most of her life.. She was misguided like so many by the traditions of man.. I started talking to her about the Bible and she thought I was crazy..She asked where I got such ideas..

I slowly taught her to use the Strong's and look things up for herself.. I told her if nothing else, to prove The Shepherd's Chapel teachings wrong..

Sh wen to work and studied harder than I have ever seen anyone get into the Word.. She was quiet about it for awhile, then she started asking questions that gave me a clue to the progress she was making..

She kept up her studies and was going to teach some summer Bib;e School.. I was waiting for the local "Pastor" to disagree with her teachings and see what happened..

She took sick on Wednesday, went to the ER on the 14th and died on the 17th.. It was all so sudden that the pain is almost unbearable..

I know that grief over a loved on who went to the Father is us only feeling sorry for ourselves. I know she wouldn't come back, even is she could, and I am so happy for her. But it hurts so bad..

Here is a memorial page I made for her.. If you haven't already done so, please visit it and sigh the registry..

Thank You..

The background is a textured, mottled olive-green color. In the upper right quadrant, there are two roses. The one on the left is smaller and more tightly curled, while the one on the right is larger and more open, showing its petals. The roses are rendered in a light, almost ethereal tone, blending with the background.
